***Breakout Session 4:***  
**Harnessing the Untapped  
Potential of Shared  
Responsibility in Mature  
Markets**

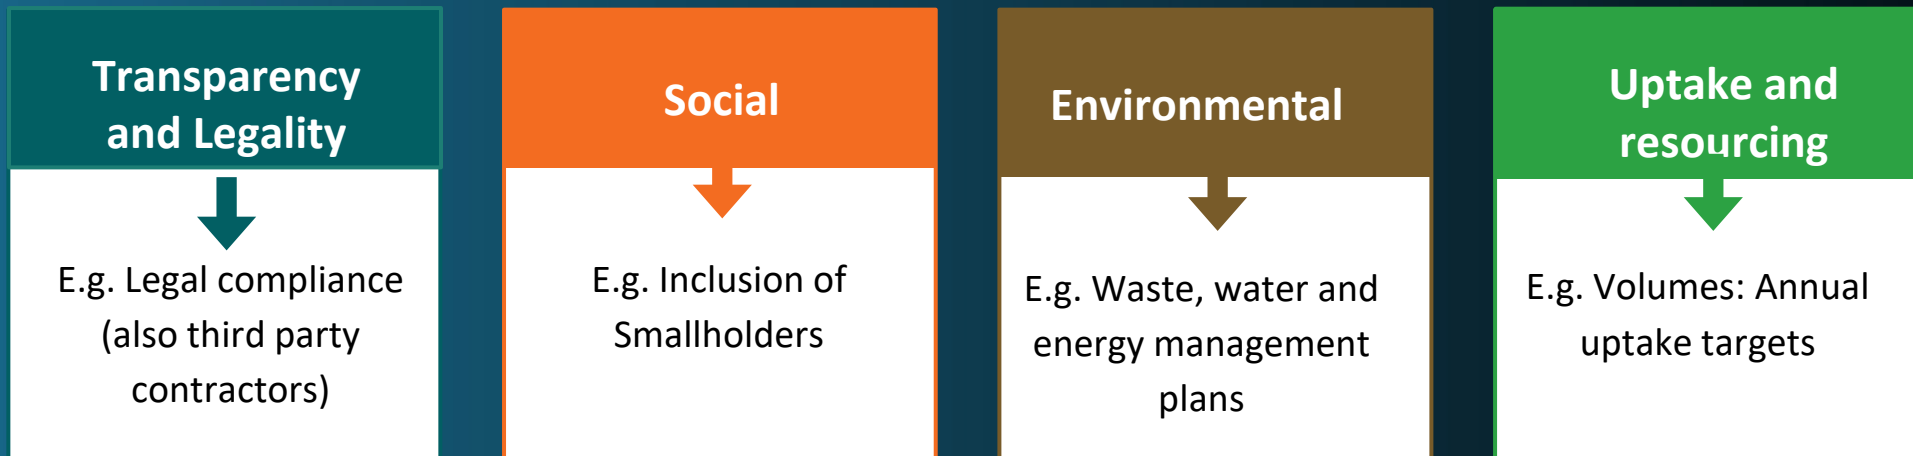

**SCALING UP THE SUSTAINABLE PALM OIL  
VALUE CHAIN THROUGH COLLECTIVE ACTION**

# Shared Responsibility

- What is it?
  - Set of responsibilities adopted by RSPO members to achieve RSPO's vision "to transform markets to make sustainable palm oil the norm".
  - 29 requirements aiming to achieve a sustainable palm oil value chain.

# Shared Responsibility

- Why?: RSPO members commit to sustainable supply chains within their operations, i.e. sourcing sustainable material and implementing policies, plans and projects to achieve sustainability.
- To whom does it apply?: ALL non-growers Ordinary members of RSPO.

Ordinary members from these categories who **only** hold a trader or distributor license are exempt from the Shared Responsibility requirements.
